NORMS FOLLOWED FOR FIXING FEES

The school fee is fixed after considering several factor, such as normal capacity of parents to pay, the guideline provided by the CBSE and State government, the average pay scale offered in private school, the need to balance income and expense of the school on an annual basis, the need for a reserve fund, the school's contingency fund, and other similar issues. The latest infrastructure provided at the school also matters much in deciding the quantum of fees.
