

## **ANNUAL REPORT**

Oxford International School, Harsimran Enclave, Bhadaas Road, Begowal is located in a pollution free ambience surrounded by green fields. It gives a spacious and healthy environment. There are separate blocks for Pre-Primary, Primary and senior classes. The school is a co-educational institutional and comprises classes from Kindergarten to XII. Students from far off rural areas also come to this school and the school provides safe transportation through school buses, along with drivers and conductors. Separate play area has been provided for small children while a basketball court, badminton court and volleyball court are there to ensure regular practice and active participation in sports. Efforts are made to promote the holistic development of students by encouraging them to participate in curricular and co-curricular activities.

Teachers act as facilitators to explain concepts and facts. E-learning is an important and essential component of learning as due to the onset of pandemic covid 19 forced a total shift in the Teaching learning process from a physical mode to an online mode. It threw before us the difficult challenge of keeping the students connected to school and teachers through various online teaching modes. A gradual transition to online mode of teaching was made by training the teachers, parents and students. Exams, Oral Assessments, Co-curricular activities were conducted in online mode.

### **STUDENT ENRICHMENT PROGRAMMES**

Our students participated actively in all activities and competitions in virtual mode. Inter house, Inter Class and inter school activities were organized online, Festivals and celebrations were also done. The school hosted Sahodaya competition and participated actively. In House programs were organized regarding covid awareness, Healthy lifestyle and Nutrition. A session on Traffic awareness was organized to bring awareness in students and to disseminate information about traffic rules. First aid awareness workshop was also organized.

### **ACADEMICS**

The school has headed towards online mode of teaching through google meet, zoom etc. An outreach programme was planned for students in areas with low internet connectivity. Teachers provided learning material to the students personally.

### **PROFESSIONAL DEVELOPMENT PROGRAMS**

Teachers attended CBSE trainings and In house Training programs were also organized on the yearly themes. Teachers have completed FLN trainings on Diksha Portal. Last but not the least, the school has coped with the pandemic times and risen to greater heights only with the cooperation of all stakeholders, the parents teachers, management and students. To conclude, we can only say that we are committed to produce super useful, confident, efficient and self-sufficient students, who carry out the values of love, compassion, empathy, and truthfulness and sacrifice everywhere.
